# TELL EDUCATION PROGRAM

*TELL* is an exhibition of contemporary photography unbound by convention. Through the multidisciplinary work of 17 Aboriginal and Torres Strait Islander artists, the exhibition highlights the medium as an empowering tool for self-expression and self-assertion.

In a series of workshops and talks students will have the opportunity to engage directly with Aboriginal and Torres Strait Islander artists, hear their stories and create photo-media based work that will communicate, challenge and express their own and other's ideas.
